

Virgil Sweeney, Junior Varsity Coach

Coach Virgil is entering the Liberty High School basketball family after spending the last four years as a coach in the Liberty Select program. Prior to that, Virgil coached 7th and 8th grade girls for three years at Tumwater Middle School compiling a 28-2 record. Most recently, Coach Virg and the 8th grade Liberty Select girls team (this year's incoming Freshman class) took 2nd place in the Middle School State Championships held in Spokane.

Virgil has been playing basketball since he was a kid and was Captain of the Timberline High School team his senior year. He also played at Pierce College in Tacoma. His love of basketball continued at Western Washington University where he organized and played intramural basketball.

Coach Virg is excited about the opportunity to be a part of the Liberty High School program and looks forward to a successful, fun, and productive season with the Junior Varsity and Varsity teams. He will also serve as a liaison with the Liberty Select program to help broaden the foundation of youth participation in the community.
